# Professional and image building

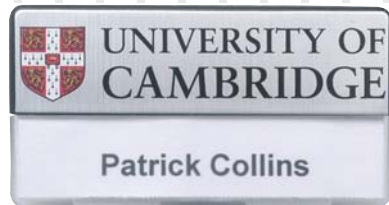

Offering an instant welcome, personalised badges help to create the right image and inspire confidence. As a specialist in badging solutions over many years, Unisto has developed a range of self-assembly options which allow you to brand your service or event while retaining maximum flexibility and control in-house for conferences, hospitality, staff identification or training requirements. In addition to the EasyPrint badge, Unisto self assembly options include:

## Unisto Business Badge Modular Badging System

The Unisto Business Badge is a modular system with a transparent name insert holder that allows printed inserts to be exchanged easily and quickly between uses.

Available in a range of finishes and sizes, the Business Badge is ideal for short term uses (eg visitors badges) where a more substantial badge is required.

**Note:**  
Also available with engraved name for larger volume orders

## Custom Designed Badges

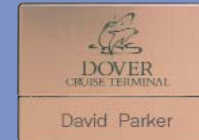

Unisto manufactures bespoke designs for organisations around the world. We work closely with clients to produce staff badges that are practical yet stylish. Unique designs result in a product that leaves a lasting impression of quality and enhances your company image.

Name Badges

## Specialists in Brand Identification and Promotion

Unisto is a specialist in the design and manufacture of badges for staff identification and development or for promotional use. Over many years we have worked with major organisations to provide innovative and practical solutions that address design and operational objectives.

In addition to our window and self print badges, Unisto manufactures generic badges in many different finishes and materials including domed enamel and stamped badges.

Applications include:

- Hospitals and Care Homes
- Ambulance and Fire Services
- HR & training
- Conferences & Events
